

Vision for 2000 and Beyond

Securing the future for you and your family...

- Protect all Social Security and Medicare funds for retirees today and in the future.
- Provide a quality education for every American child in a safe, drug-free environment.
- Lower taxes so families can spend more time together and less time paying for wasteful government.
- Keep the budget balanced and continue paying down the national debt.
- Build a stronger military for an enduring peace.
